Bedrooms 5 Sleeps 10

Pool, 12.00m by -1.00m,

Location: Beach Front, Sea View

Part of the intimate Moon Cove estate, four-bedroomed Taipan is a hidden treasure, situated a few metres back from the sands on an idyllic bay that most visitors to Phuket have never seen or heard about. Though well away from the tourist hordes, Ao Yon is alive with traditional long-tail fishing boats puttering past sparkling yachts, and strings of colourful buoys at the centre marking a cultured pearl operation.
